City Services Reports <ul style="list-style-type: none"> • Community Centers- Dina Hanks • Police - Paul Graves 	<ul style="list-style-type: none"> • Discussion on the public hearing concerning pools (2 Centennial Plaza 6:30to 8pm Feb 9) It costs approximately \$80,000 to run a pool. There may be a program to raise money on-line. • Paul passed out a different handout which listed crimes by street and type. The majority of thefts were to cars. Due to extra duty and special police runs the individual (38 yrs) with a crack addiction was arrested. He claimed he committed 20 of the crimes (drove around with police and identified sites) He was released until trial. • 917 Dana has given keys to police. Also, passed last inspection. Was issued a Chronic Nuisance letter • Discussion concerning Armory murder. It is now believed the youth killed was the target. Arrests made. Continual problem of citing the incorrect neighborhood in the press was discussed. The media blamed as they published before police issued their statement. The media corrected it in later articles. • Shell station was robbed • Apartment building on the bottom of Asmann and Victory Parkway is empty and in foreclosure. 	<ul style="list-style-type: none"> • Paul will send information on trial date for crime watch to Charlene • Paul will also check on copper theft arrest to find out when the hearing is. • Paul will notify City concerning trash at the Armory site. <ul style="list-style-type: none"> • Bill is communicating with the Paddock Hills President and will work with her on contacting the owners of the armory.
Rumpke Landfill Expansion – There is a better way.... Melissa English, Cincinnati Area Program Director Ohio Citizen Action	See the February <i>NANA NEWS</i> article and attached Handouts for more information. Data: Cincinnati diverts from landfill 13%, national is 33% Since the new recycling program: Recycling is up 30% between 2009 and 2010. 300 tons more recycled \$700,000 more saved because of biweekly Big question – if we stop the expansion will it encourage methods to divert from the landfill now
